Map Scale and Reproduction methods limit precision in physical features displayed. This map is for illustrative purposes only, and is not suitable for parcel-specific decision making. The parcels contained here-in are not intended to represent surveyed data. Site-specific studies are required to draw parcel-specific conclusions. Assessor's parcel data are current as of the date indicated. For more current parcel data, consult the County of Sonoma Assessor's Office.

The Sonoma County Local Agency Formation Commission (LAFCO) adopted Resolution No. 2639, May 7, 2014, approving the review & ammendment of the City of Cloverdale's Sphere of Influence [coterminous with proposed Cloverdale's General Plan Urban Service Area (USA) boundary]; completing the required 5 year Municipal Service Review.
