

Map Scale and Reproduction methods limit precision in physical features displayed. This map is for illustrative purposes only, and is not suitable for parcel-specific decision making. The parcels contained here-in are not intended to represent surveyed data. Site-specific studies are required to draw parcel-specific conclusions. Assessor's parcel data are current as of September 14, 2016. For more current parcel data consult the County of Sonoma Assessor's Office. Includes General Plan Amendments as of February 15, 2018.

**Biotic Habitat Areas**

- Marshes and Wetlands
- Sensitive Natural Communities
- Habitat Connectivity Corridors
- Potential Range of California Tiger Salamander
- Special Status Species Habitat Occurrences
