BLD25-1829	Issued	Building Permit No Plan Check	4/3/2025	04/23/2025	3900 Hwy 37 Lakeville [LAK]	(VBU25-0082) We are running power from our main 600-amp electrical box to help with farming. The power line splits into two parts: one 200-amp line goes to the lemna farm area with a 150-amp power box, and another line goes to the vegetable garden area. The second line gives power to a farm gate, water pump, and vegetable garden area. Everything is set up safely according to electrical rules, with proper safety switches and power controls. This simple power setup gives us the electricity we need for our farming work.	068-130-013	\$1428.62		04/01/2025 - 04/30/2025

BLD25-2245	Issued	Building Permit No Plan Check	4/22/2025	04/22/2025	58 Larkfield Dr Windsor [WIN]	58 Larkfield has a 1957 electrical 100amp service. The main panel is woefully out of date, no disconnect, old circuits. I'm requesting to replace the old panel with a 200amp Siemons's panel, next to the existing panel. Run 2" threaded ridged pipe to the roof, then attach the appropriate weather head. The 2" ridged with then connect to the 200amp panel with the appropriate 200amp disconnect. At that point a licensed electrician(Sonoma County Builders) will coordinate with PGE, during a scheduled maintenance to perform the service upgrade. We will use #2Awg copper or 4/0 Aluminum ~ 30' from the PGE feed into the 200amp panel. (2) copper ground rods will be hammered into the soil, at the base of the 200amp panel, and 12' from the panel. PGE has a scheduled maintenance on 58 Larkfield this month. Jeff	058-134-005	\$363.62	\$0.00	04/01/2025 - 04/30/2025

ENC25-0131	Plan Check	Encroachment	4/9/2025		622 Swan Dr Bodega Bay [BBY]	The asphalt sidewalk inform of my house (622 Swan Drive, Bodega Bay, CA 94923) is deteriorated with cracks and ruts, and has become a pedestrian tripping hazard. Although this sidewalk is Sonoma County property, the Bodega Harbour Homeowner's Association has informed my that its maintenance is my responsibility. I have accepted a bid from Redwood Empire Concrete (contractor Evan Glanville) for \$11,000 to replace the sidewalk and adjoining curb. On April 2, 2025, I received approval for this project from the Design Review Committee of the Bodega Harbour Homeowner's Association. The existing asphalt sidewalk (70 feet long, 5 foot wide, 2 inches deep) and adjoining curb will be removed and replaced with an exposed aggregate premium concrete of a texture and color matching other homes in the Bodega Harbour community. This will include replacing two existing underground PVC pipes that drain water from the property to the street.	100-440-013	\$281.61	\$0.00	04/01/2025 - 04/30/2025
